SUMMARY

Full Stack Web Developer with a background in Finance and a life-long dedication to learning. Determined on creating friendly user-based applications through creativity and ingenuity derived from my hobbies of photography and graphic design. Collaborative team player with a focus on tackling challenges and creating exciting projects from mockup to deployment for users.

EXPERIENCE

Target Corporation

Sales Representative

Alameda, CA

May 2014 – September 2018

- Started a shipping department and generated \$1 million in our first year that led to expanding our team from 3 team members to 15.
- In charge of special in-store events during occasions such as holidays or sports events by setting up displays, assigning teams, and supplying materials to boost sales by 10-12%.
- Trained 3-5 new team members per month with instructions to interacting with customers and performing different tasks around the store.
- Communicated with up to 30 people per day and handled up to \$20,000+ of inventory of inbound receiving, outbound orders, and returns.
